SCSS

Bootstrap5

EXPERIENCE

ANGULAR DEVELOPER, Pune, Maharashtra

Realisieren Technologies Pvt. Ltd. Pune, August 2023–July 2025

- Integrated RESTful APIs with Angular applications to enhance data accessibility and functionality.
- Developed reusable UI components using Angular libraries, ensuring consistency and reducing development time.
- Designed responsive and cross-device compatible layouts with modern CSS frameworks.
- Refactored legacy Angular code to improve maintainability, scalability, and performance.
- Mentored junior developers on Angular best practices and coding standards.
- Built and optimized landing pages for cross-browser compatibility and improved user experience.
- Stayed updated with emerging technologies to continuously enhance development practices.
- Collaborated with cross-functional teams (designers, backend developers, testers) to deliver high-quality, scalable web applications on time.
- Implemented performance optimization techniques such as lazy loading, code splitting, and AOT compilation, reducing load time and improving user experience.

CERTIFICATIONS

- Full Stack Java Web Development

PROJECT

Mineral View

- Developed an interactive web application for managing mineral royalties, lease valuations, and real-time well activity using Angular, RxJS, NgRx, and SCSS.
- Implemented advanced mapping modules to visualize wells and lease locations, enabling intuitive geographic tracking and data interaction.
- Built alert and notification systems to notify users of critical changes in production, permits, or well behavior—enhancing decision-making.
- Designed a unified interface combining data analytics (production rates, commodity prices, lease history) with a centralized “Knowledge Center” for document access and insights.
- Optimized performance through lazy loading and Core Web Vitals enhancements, delivering seamless UX and fast loading times.
- Ensured responsive design for multi-device accessibility—across desktops, tablets, and mobile.
- Collaborated with backend teams to integrate RESTful APIs that aggregated production and lease data efficiently and reliably.

EDUCATION

B. TECH IN MECHANICAL ENGINEERING

Dr. Babasaheb Ambedkar Technological University Lonere, October 2021
